**RISK ASSESSMENT
RECORD
No. 04402**

Job address	Date:
	Worksheet report No.
	Engineer

Job description

This risk assessment pertains to your self and those about you whilst you carry out the job described above. Please tick the appropriate boxes where a hazard type has been identified. Where you have ticked a box please also tick (if appropriate) those boxes to show that it has either been avoided or controlled within satisfactory limits of risk. Please indicate the final level of risk as high, medium or low.

Hazards due to		Present	Avoided	Controlled	Risk
Physical	Lifting				
	Falling				
	Dropping				
	Tripping				
	Cutting				
	Crushing				
Heat	Hitting				
	Burning				
Fluids	Fire				
	Drowning				
	Slipping				
Gas	Pressure				
	Asphyxiation				
	Suffocation				
	Explosion
